I am a focused and hardworking individual with a deep passion for exploring new technologies. I am constantly fascinated by the advancements in the tech industry and thrive on staying up-to-date with the latest trends. As a quick learner, I embrace challenges and actively seek opportunities to expand my knowledge. My organised nature allows me to effectively manage tasks and projects, ensuring their successful completion. Moreover, I possess excellent time management skills, utilising my time constructively to maximise productivity and achieve desired outcomes.

Professional Experience:

Event Manager: NSDC | Present:

Managed a successful event featuring a captivating talk by Mrs. Pallavi Vageira, an esteemed expert, on the contemporary applications of Machine Learning (ML). Coordinated all aspects of the event, including venue selection, logistics, and promotion. Ensured seamless execution, resulting in a highly engaging and informative experience for attendees. Demonstrated strong organisational and communication skills, while effectively overseeing the event from conception to completion.
